WHAT YOU NEED TO KNOW NOW

- Read this notice so you can make an informed decision about your care.
- Ask us any questions that you may have after you finish reading.
- Choose an option below about whether to receive the laboratory test(s) listed above.

Note: If you choose Option 1 or 2, we may help you to use any other insurance that you might have, but Medicare cannot require us to do this.

OPTIONS (Check only one box. We cannot choose a box for you.)

Option 1

I want the laboratory test(s) listed above. You may ask to be paid now, but I also want Medicare billed for an official decision on payment, which is sent to me on a Medicare Summary Notice (MSN). I understand that if Medicare doesn't pay, I am responsible for payment, but I can appeal to Medicare by following the directions on the MSN. If Medicare does pay, you will refund any payments I made to you, less co-pays or deductibles.

Option 2

I want the laboratory test(s) listed above, but do not bill Medicare. You may ask to be paid now as I am responsible for payment. I cannot appeal if Medicare is not billed.

Option 3

I don't want the laboratory test(s) listed above. I understand with this choice I am not responsible for payment, and I cannot appeal to see if Medicare would pay.
